SMM & PERFORMANCE MARKETING

Our SOP

1

We learn your business

When we onboard you, we first analyse your business — your customers, your competition, your goals.

2

You get a calendar for the whole month

A clear plan of what will happen: shoot days, editing timings and uploading days.

3

You get your daily report

We create a group with you where your daily performance marketing report of leads arrives every single day.

4

Our execution team executes everything

Shoots, edits, uploads and ads — our team does all of it, exactly as planned.

5

Month-end analytics report

At the end of the month, you receive an analytics report of your progress.

That's how Service Hub Plus works.
